Computer & IT	10	• Computer hardware and software • Operating systems and MS Office • Internet, email and cyber safety • Basics of AI and emerging technology
GK, Pakistan Affairs & Current Affairs	25	• History of Pakistan and the freedom movement • Constitution of Pakistan • Geography, economy and resources • Sindh: history, culture and people • Current affairs: national and international • Islamiat basics — Ethics for non-Muslim students

6. Selection & Merit

- Each category has its own paper (A, B, C, D).
- Results are calculated as a percentage of total marks.
- In each district, the 5 students with the highest percentage (all categories together) win a laptop.
- Total: 5 laptops per district × 3 districts = 15 laptops in Phase 1.
- If two students have the same percentage, the younger student gets preference.
- There is no negative marking.
- The merit list will be published publicly on the website and Facebook page.
- Laptops will be awarded to the winners at the Mega Award Ceremony.

7. Rules

- The test processing fee is Rs 650 and is non-refundable.
- Bring your Admit Card and B-Form / CNIC to the test centre. No entry without an Admit Card.
- Mobile phones, calculators and smart watches are not allowed in the exam hall.
- Use of unfair means will lead to immediate disqualification.
- Winners must show original documents to receive the laptop.
- The decision of the scholarship committee will be final.
- This is a private program by TalentCore Global. It is not a Government of Sindh scheme.

8. Frequently Asked Questions
